

MADONNA HOUSE

STRICTLY CONFIDENTIAL: FOR MADONNA HOUSE STAFF & RESIDENTS

October 19, 2021

Dear **Dr David McCormack**,

With regards to the tragedy that occurred at Madonna House, Park Slope, New York, on the morning of August 13th, 1969, we hereby give notice that the Vatican has launched an official investigation. You were present in the asylum when the body of Nurse Sara Hinder was found, as either:

- i) a permanent member of staff or
- ii) a resident of Madonna House

Whilst the Vatican appreciates that emotions will be running high and that you may not feel that you will be able to offer any assistance to the investigator who is due to arrive at Madonna House, it is incumbent upon you to help the investigator to uncover the truth of what happened to Nurse Hinder.

Father Brennan, Madonna House's Priest in Charge, has acted swiftly and admirably with his request for a more experienced priest to take over the investigation on his behalf. It is for that reason that the Vatican are sending Francis Kelly to oversee matters. Father Kelly is held in the highest regards by the Pontifical Commission and has proven to be extremely successful in uncovering the truth when investigating sensitive crimes such as the one committed at Madonna House. We trust that you will make Father Kelly feel very welcome and follow his strict instructions.

Father Kelly makes for Madonna House now, his first request is that you present yourself in the lounge no later than **7pm**.

As is customary with such an investigation, everyone who was present in Madonna House when Nurse Hinder's body was found is, by default, a suspect in her murder. It is for Father Kelly to lead the investigation and ascertain who or what is to blame. Be prepared to defend yourself but more importantly be honest!

THEREFORE, MY DEAR BROTHERS AND SISTERS, STAND FIRM. LET NOTHING MOVE YOU. ALWAYS GIVE YOURSELVES FULLY TO THE WORK OF THE LORD BECAUSE YOU KNOW THAT YOUR LABOR IN THE LORD IS NOT IN VAIN. (CORINTHIANS 15:58)
